Dear Mr. Casey,

STAT The purpose of this letter is to express my appreciation of your agency's involvement in cooperative education. I had the opportunity to meet your representative, [redacted] while attending the Midwest Cooperative Education Association Conference in Louisville two weeks ago.

STAT In my capacity as State Director for MCEA, I found his presentation to be enlightening as well as informative. [redacted] comparisons of the CIA to other federal agencies and the private sector provided me with insight and ideas for the future. While my involvement with federal agencies has been limited to HUD and FHA, it is reasonable to project tremendous growth for cooperative education.

Again, thank you for your continued support of our programs. It is essential if we are to continue to grow and prosper.

Sincerely,

*Peggy D. Harrier*
